The CyBOK project would like to understand how the CyBOK is being used and its uptake. The project would like organisations using, or intending to use, CyBOK for the purposes of education, training, course development, professional development etc. to contact it at contact@cybok.org to let the project know how they are using CyBOK.
usable security
fitting the task to the human
human error
awareness and education
positive security
stakeholder engagement
mental models of cyber risks and defences
negative security
fear uncertainty and doubt
people are not the weakest link
